Subject:- Agri-Silvi plantations.

CONFIDENTIAL:

No. 17/D/50 of 1955-56.
Poona No.1. 13th August 1955.

MEMORANDUM:

Government desires that Agri-Silvi cultivators who are required to be dispossessed of their lands due to non-observance of Silvi conditions may not be dispossessed hereafter as separate orders in that regard are being issued. The Conservators are requested to communicate these instructions confidentially to the Divisional Forest Officers. These orders, however ~~do not pertain~~ not pertain to normal plantations under Agri-Silvi where the area has to be resumed after the agri-silvicultural operations have been completed under the provision of the Working Plan. These orders relate only to plots of land given out in open forest for Agri-Silvi purposes.

2. The Conservators should take steps to collect the information in the following form:-

(a) Name of Range, (b) Name of Round.
(c) Name of village, (d) Name of forest and
(e) No. of plots given in each forest with the name of the allottees and the area allotted to each.

It should also be ascertained whether the allottee is a landless agriculturist or has his own land also in addition to the lands given to him on Agri-Silvi. Mention should also be made whether the allottes belongs to the Backward Class or not.

3. The above information should be submitted as soon as possible.

It is however understood that large number of plot holders have already been dispossessed of their lands due to their non-observance of the agri-silvi conditions. Information similar to the above should also be given in respect to those who have already been dispossessed.

4. As the Government is anxious to finalise the issue as soon as possible, the above information should be collected and submitted <u>latest by the end of September 1955.</u>

(12) Under instructions from the then Government of Bombay the Chief Conservator of Forests, Poona directed that Agri-Silvi Cultivators who were required to be dispossessed of their lands due to non-observance of silvi conditions might not be dispossessed. Accordingly the Conservator of Forests, Belgaum Circle proposed that some of lessees mentioned by him in his letter of 7th May 1957 might be continued to cultivate their respective areas during 57-58 on terms and conditions of original leases. Government have issued instructions in their letter No.AFD/89 DFT 57 dated 10-9-57 to permit Shri L.F. Nadaf and others to continue to cultivate an area of 16 acres and 35 guntas granted to them in 1948 on Agri-Silvi system after converting the area as inforest settlement plot. The Conservator of Forests at that time had recommended 6 other cases for similar action. But no orders were passed in respect of 6 cases. It is therefore now proposed to permit the 6 persons at sl.No.1 to 5 and Sl.No.7 mentioned in the letter from the Conservator of Forests, Belgaum dated 7th May 1957 to cultivate the lands granted to them by treating their respective areas as inforest settlement plots. This proposal of the Conservator of Forests may be approved and the letter put up at page 17/C may issue.

Copy of letter No.22/Gen/269 of 57-58 dated 7th May 57 from the Conservator of Forests, Belgaum.

Sub:- Grant of forest lands on Agri-Silvi terms in Gokak Range in Belgaum Division.

With a view to deciding the cases of forest lands granted on Agri-Silvi terms finally, the Chief Conservator of Forests, Bombay State, Poona in his No.17/D/50 dated 13th August 1955 (copy enclosed) had informed that Government desired that the Agri-Silvi cultivators who were required to be dispossessed of their lands due to non-observance of silvi conditions should not be dispossessed and called for two statements i.e. one for the cases which were current and the second for the cases which have been already dispossessed. Accordingly the above information has been submitted to the Chief Conservator of Forests, Bombay State, Poona under this office No.22/Gen/4042 dated 3rd/7th March 1956. It can be seen from the statement for Belgaum Division, the following 8 cases were current.

2. The Government of Bombay in their letter No.FID-1355/16757 dated 8th May 1956 have ordered to lease out the area of 151 acres leased out to the applicants at S.No.8 for cultivation for a period of 30 years.

3. The lease periods of the remaining seven cases were upto 31st May 1956. Since the orders of Government on the proposals submitted by the Chief Conservator of Forests, Bombay State, Poona under his No.17/D/Gen/A/1022 dated 4th May 1956 were not received by then a general reference was made to the Chief Conservator of Forests, Bombay State, Poona.

P.T.O.

under this office No.22/Gen/1082 dated 29th June 1956 requesting to issue orders whether the lands should be continued beyond the lease period pending receipt of Govt. orders on his above proposals. The Chief Conservator of Forests, Bombay State, Poona in reply to the above reference drew attention to his No.17/D/50 dated 13th August 1955, a copy of which was forwarded to the Divisional Forest Officers, Belgaum, Dharwar and the Sub-Divisional Forest Officer, Bagalkot.

4. The applications received from the lessees at S.Nos. 1 to 4 6 and 7 have been forwarded to the Divisional Forest Officer, Belgaum for remarks and his reports thereon are still awaited. It appears that the Divisional Forest Officer, Belgaum has already resumed the areas after expiry of the lease periods i.e. 31st May 1956 but the lessees continued cultivation in the areas for which the Divisional Forest Officer, Belgaum had drawn up offence cases and dealt with under the Indian Forest Act 1927. In view of the reasons stated in para 3 above, the action of the Divisional Forest Officer does not appear to be in order. Hence I am ~~xx~~ waiving the recovery of compensation etc. ~~xxxxxxxx~~ and asking the Divisional Forest Officer, Belgaum to recover the amount of assessment if any due for the year as per the terms of the lease agreements.

5. Though the above 7 lessees have made sincere attempts to plant and rear forest species as per the terms of the lease agreement, their attempts are not successful for the adverse locality factors i.e dry arid-climatic conditions and dearth of watering facilities The above areas are in possession of the lessees for the last 7 to 8 years and the lessees brought them under proper cultivation after spending large amount and hard manual labour and resumption of the areas will surely excite wide spread dis-satisfaction and angry feelings. Such a sprit of antagonism is not desirable in the interest of forest conservancy. I therefore strongly recommend that the areas granted to the persons at S.Nos. 1 to 7 may be converted as inforest settlement plot subject to the condition that they should help this department in prevention and detection of forest offences in the localities.

Since the season for ploughing, sowing of seed etc. is coming to a close, I am asking the Divisional Forest Officer, Belgaum to allow the above 7 lessees to cultivate this year the areas on the terms and conditions of the original leases. My above action may please be approved.

The applications dated 29th April 1957 from Sriyuths (1) B.C. Ghivari (2) L.F.Nadaf (3) T.K.Kargar and the accompaniments received under your No.B3-U.O. 299/57 dated 24th/26th April 57 are enclosed herewith.
